**SPECIAL INFORMATION:** These positions are both part-time permanent with #34127 working 30 hours per week and #34129 working 20 hours per week.

If there are not a sufficient number of qualified applicants, a training assignment may be offered. In order to be eligible for the training assignment, applicants must possess all but two years of the required education and experience. If a training assignment is offered, the starting pay may be set at the entry grade 14 (\$14.69) up to the entry salary of the grade 15 (\$16.08) or up to the entry salary of a grade 16 (\$17.64) depending on education and experience for the duration of the training assignment. Upon successful completion of the training assignment, the salary will be adjusted depending on qualifications and internal equity.

**Typical Duties:** These positions design, build, test and implement automated computer systems; perform technical and analytical work on development of generally moderate to complex projects; and perform maintenance and enhancement of existing applications.

**KNOWLEDGE, SKILLS AND ABILITIES (COMPETENCIES) DESIRED:**

Knowledge: Knowledge of the theories, principles and practices of information systems development, enhancement and maintenance; computer hardware and software; and systems analysis, design, testing and documentation techniques and practices.

Skills: Skills useful to the development and support of department maintained software and platforms.

Abilities: Ability to develop and implement appropriate system solutions to accommodate user needs; solve information system problems; provide training and technical assistance to support personnel and users; follow written and verbal instructions; communicate effectively both verbally and in writing; maintain effective working relationships with other employees and agencies; and communicate complex technical concepts to lay users.

**EDUCATION/EXPERIENCE REQUIRED:** Bachelor's degree in Computer Science or a closely related field **AND** five years job related experience, e.g. computer programming, systems analysis, project management, computer application design and administration, end-user training and support. Relevant recent (within 10 years) applications systems analysis and software development experience may substitute for education on a year-for-year basis. Experience in Oracle Designer, Developer, Web Applications, Forms, Reports and PL/SQL preferred. Other equivalent combinations of education/experience will be evaluated on an individual basis. See training assignment under Special Information.

**APPLICATION AND SELECTION PROCESS:** This position is being advertised outside the agency and in-house applicants must compete with the outside applicant pool. Interested persons must submit the following prior to the closing date to be considered:

1. Signed state application (PD-25, rev.05/03 or later);
2. Applicants claiming the **Veteran's or Disabled Person's Employment Preference** (see State of Montana Employment Application, PD-25) must provide verification of eligibility with the application materials. The required documentation includes a DD-214 or PHHS Certification of Disability form;
3. Photocopy of transcripts for any coursework at a college or technical school. **If applicant has difficulty obtaining transcripts you will be given a five-day grace period to submit them to our office after the closing date to:** HUMAN RESOURCES, PO Box 4210, Helena MT 59604; and
4. Supplemental question.

**Applications will be rejected for late, incomplete or unsigned application materials.**

**COMPENSATION:** Eligible state employees are also provided paid health, dental, vision and life insurance. Other benefits including a deferred compensation program, public employees retirement system, annual leave, sick leave, paid holidays and up to 15 days military leave with full pay.

**IMMIGRATION REFORM AND CONTROL ACT:** In accordance with the Immigration Reform and Control Act, the person selected must produce **within three (3) days of hire** documentation that he/she is authorized to work in the United States. Examples of such documentation include a birth certificate or social security card along with a driver's license or other picture I.D., a U.S. passport or a green card.

**REASONABLE ACCOMMODATIONS:** Under state and federal law, qualified applicants with disabilities are entitled to reasonable accommodations. Modifications or adjustments may be provided to assist applicants to compete in the recruitment and selection process, to perform the essential duties of the job or to enjoy equal benefits and privileges of employment available to other employees. Alternative accessible formats of this document will be provided upon request. An applicant must request an accommodation when needed. If you need any such accommodation, contact Human Resources at 444-3136 as soon as possible to allow time to make needed arrangements.

**SELECTIVE SERVICE COMPLIANCE CERTIFICATION:** All male applicants (born on or after January 1, 1960) must complete a copy of 'Statement of Selective Service Registration Status' if offered a position with the State of Montana, unless they meet certain exemptions under Selective Service law. If you are required to register, but fail to do so, you are not eligible for employment with the State of Montana.

## SUPPLEMENT QUESTION

Department of Public Health and Human Services  
Title: Programmer Analyst  
Position: #34127 & 34129 (Two Positions)  
Location: Technology Services Division, Helena

This supplement will be reviewed separately from the state application you submitted, and it will become a further basis for our evaluation of candidates. Your response to this supplemental question must be printed clearly or typed on standard 8.5 x 11 inch paper. Your response should be clear, concise and numbered. Since your response will be reviewed separately from your state application, please repeat any information that may appear on it or your resume rather than writing 'see my resume or application.'

### QUESTION

NOTE: Answer to the following question must be specific as to dates and employers. If this supplement is used as a screening tool, your answer may be rated based on months or years of experience. Reference will not be made back to your state application or resume.

1. Describe your experience developing database applications software. Include where you worked, when you did the work and for how long, the development environment including hardware and software used, and your specific contribution to the development effort.

For each project you worked on, indicate what software tools you used and for approximately how many months you used that tool during the project.
